The **Quaker Settlement** offers a peaceful retreat space for spiritual renewal. It has developed over 40 years with careful planning and planting of native forest, woodlot, harakeke and food trees - bird song and trees flourish alongside people, living in community as 'Friends' in the spirit of the Quaker values.

The Quaker Settlement has generously offered the use of a sliding scale for payment. This enables each of us to pay as we are able - some may choose to pay more abundantly to enable those with limited resources to participate - we all support the circle and show our gratitude to this beautiful venue.

**Costs: Sliding Scale \$150-\$250** includes shared space in sleeping house \* and simple vegetarian meals. **As a guide: \$150=being supported \$200=covering costs \$250+ = abundantly sharing)** \*enquire about other options
